Bringing together the talents and insights of Emerging Young Professionals (EYPs), ages 21-40, in the East St. Tammany region is what EYP is all about.

Brought to you by The East St. Tammany Chamber of Commerce, EYP is simply a network of young professionals – a dynamic and diverse group of peers with a passion for making a difference...a willingness to learn...the desire to build important relationships...and the energy to get involved in the community.

Too often, EYPs don't feel like they have a place or voice in business meetings or in the community. Through the programs and resources delivered by EYPs, you will have more opportunities to develop professionally, get connected and shine.

If you or your employer are a Chamber member, you can join EYP for only \$30.00 today.

If your business is interested in joining the Chamber, we have excellent opportunities for you to become a member of the National Chamber of the Year!

For more information on membership with the Chamber, please contact the chamber at: communicate@estchamber.com or call (985) 643-5678.
