

2019 Supply Drive for Teachers

The **Emerging Young Professionals** is an organization for professionals in the East St. Tammany region between the ages of 21-40. Our mission statement is ***“Bringing together the talents and insights of Emerging Young Professionals, ages 21-40, in the East St. Tammany region. EYP is a network of young professionals: a dynamic and diverse group of peers with a passion for making a difference, a willingness to learn, the desire to build important relationships, and the energy to get involved in the community.”***

EYP is awarding **three** lucky school teachers in the East St. Tammany region, between the ages of 21-40, with supplies needed for their classroom. We've created an opportunity to help young professionals who are unable to attend typical business functions or get involved as much as they may want to, due to the fact that they've dedicated their lives to teaching OUR children in OUR community. One teacher will be selected from each of the following categories: grades PK-4, grades 5-8, and grades 9-12.

Qualification of Candidate:

- A teacher between the ages of 21-40 at a public or private school in eastern St. Tammany Parish
- Completed Application
- Color Photograph of Applicant (preferably a headshot)

Submission and Deadline:

All completed applications **must** be received by the Emerging Young Professionals by Thursday, February 28, 2019. (Late entries will not be considered.)

A panel of members from the Emerging Young Professionals organization will review blind copies of the entries and determine the three recipients.
